Sundays are made for slowing down, enjoying good company and tucking into a proper roast. We believe in sharing life's best moments over great food and drink.

It's about making the most of those precious hours of the weekend before Monday morning comes around. We've got all the classics done our way, big on flavour, made with love, and served with all the trimmings.

However you want to spend your Sunday, you'll find a warm welcome and a relaxed setting to make your Sunday special.

Cheers!
